Vision Statement

St. Louise de Marillac Primary School is a Catholic School; however, it is open to all denominations and is conducted in accordance with the values and philosophy of the Daughters of Charity of St. Vincent de Paul. We welcome and respect all our children and commit ourselves to value the uniqueness of each child in a happy and safe learning environment.

We promote social and cultural awareness and academic success in a happy and safe learning environment. We encourage an interest in learning and hope to lay foundations for a life-long love of learning.

In partnership with the family, we encourage each child to grow in confidence and self-esteem. We seek the development of his/ her full potential. We hope to respond to the needs of all the children in a way that enables us to share an enjoyable journey of learning together.

Positive links with the local community and with other outside / support agencies will be maintained so that the educational experiences of the children in our school will be enhanced.
